

Aeris Performance LP

Fillauer®

Aeris Performance LP

The Aeris Performance LP foot system exceeds expectations by offering the best combination of value and performance in a 100% carbon composite foot. The Aeris Performance adds Compliant Composite Technology (CCT) that is derived by using multiple springs to increase the range of flexibility. The result is a unique Advanced Energy Release (AER) pylon design composed of nested parallel springs that enable the foot to react in a compliant manner at heel strike and then work together to create a dynamic transition from push-off to toe release. The AER pylon takes advantage of independent spring action to provide smooth, stable progression from heel-strike to toe-off. The Aeris Performance LP foot system will exceed expectations for the low to moderate activity user.

Product Features

- Compliant Composite Technology (CCT)
- Advanced Energy Release (AER) pylon
- Split pylon for increased multi-axial performance
- Enhanced plantar flexion for stability at heel strike
- Balanced compliance and dynamic response
- Smooth transitions from foot-flat to toe-off
- Proven durability enhances patient confidence
- Simple, maintenance-free design ensures long term worry-free use
- Low profile design fits majority of amputee population

Specifications

- Patient weight: Up to 275 lbs. (125 kg)
- Foot weight: 16.0 oz. (450 g)
- Build height: 5.12 in. (13 cm)
- Functional level: K3

Warranty

- 2 year warranty
- 60 day patient trial

Ordering Information

123-10-XX-X Aeris Performance LP Foot System
Foot includes Spectra Sock. MCV Foot Shell sold separately.
