Money

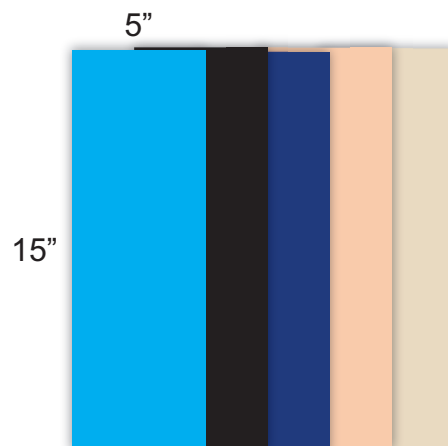

- Less time **cutting** usable sizes from bulky sheets
- Less time **cleaning up** workbench scrap
- Less time **counting sheets** for re-order

- Use up to **95% less space** compared to full sheets
- Easy to move, shift, count and **control inventory**
- Easy to **organize** for optimal use of lab space
- Best option for **back-stock storage** of inventory

- **Shipping** cases is far less costly than full sheets
- **Labor** spent cutting bulky sheets is money wasted
- **No up-charge** versus full sheet pricing for strip conversion

In-Stock Availability: Shipping from Cleveland the same or next day...
