

SCOUT®

material fusion
no maintenance
growth capabilities

The Scout offers reliable energy return and growth to keep up with kids. Blending College Park's Intelliweave® composite technology with durable carbon fiber, this pediatric foot provides smooth motion, strength, and flexibility for play. As kids grow and change every day, the Scout accommodates the journey with a wide size range and size-up foot shell capabilities. This no-maintenance foot is lightweight, fresh water friendly, and built for youth.
