

# Coolfit Extended Knee Brace

*FIT*

## *Coolfit Knee Brace with Adjustable Hinges*

The ALPS™ Coolfit Knee Brace is constructed with breathable fabric and is designed to prevent or reduce the severity of a knee injury. The Coolfit is manufactured longer in length than our standard braces and is available in pull-on and wrap-around styles.

- Coolfit breathable fabric allows for improved air circulation
- Works well for patients who are allergic to neoprene knee braces
- Hinges with flexion or extension adjustment
- Medial and lateral support
- Four adjustable velcro straps to ensure stability
- Latex Free
