

PDE Composite Spring Warranty

Warranties

Fabtech Systems warrants the PDE products to be free of any manufacturing or workmanship defects for Six (6) months from the date of purchase. The warranty does not cover failure caused by erroneous application, custom fabrication done to customer specification, improper storage, or intentional misuse or brace designs outside the original stated design parameters. Fabtech Systems at its discretion will replace or repair any of its products that do not meet this warranty. The replacement or repair of the defective product is the exclusive remedy; liability does not extend to any other damages, incidental, consequential or otherwise

Products must have a Return Authorization Number (RMA). Return Authorization Numbers may be obtained by contacting Fabtech Systems at 1-800-FABTECH
