Juzo® Varin Soft-In stump shrinkers are soft and smooth against the skin, allowing for maximum comfort in every day use. Above knee stump shrinkers are available in three styles—standard [no attachment], with Hip Attachment [secures around waist] and with Body Part [secures around hip section] — in 8, 10, 12 and 14 inch lengths. Below knee stump shrinkers are available in 12, 15 and 18 inch lengths. Both are available in two compressions: 20-30 mmHg and 30-40 mmHg.
