MATRIX

L-Pace

POSTERIOR
LATERAL
STRUT AFO

Matrix L-Pace

The NEW Matrix L-Pace offers Comfort, Durability and Style

Features:

- Posterior lateral strut of intermediate stiffness for best combination of support, flexibility and energy return.
- Made of aerospace grade composite materials for lightweight and durability.
- Ergonomic footplate with curved heel for better foot fitting.
- Flexible high strength band that easily conforms around calf muscle.
- Breathable padded cuff with reverse pull hook and loop compatible strap.

Indications:

Low to high activity patients, mild to moderate footdrop, with or without mild to moderate foot spasticity, with weak muscles or with loss of calf muscle, for unilateral to bilateral patients.

Carbon Composite Dynamic AFO's

The Matrix Family has been developed to provide a dynamic response for patients with drop foot, limb proprioception deficit, mild proximal deficit as well as for partial foot amputations.

Trulife's newest inclusion to the Matrix Family, **Matrix L-Pace** is the perfect **posterior lateral** AFO addition.

- *Stylish design*
- *Fits a wide range of footwear*
- *Lightweight*
- *Durable*
- *2 year warranty*
