## UPGRADE KIT INSTRUCTIONS

	ENGLISH	ESPAÑOL	DEUTSCH	ITALIANO	FRANÇAIS	中文	
1	  <p><b>SHOULDER STRAPS</b></p> <p>A. With the back panel lying on a table, insert the strap through the slot from above. B. Align the rivet (female end away from the patient) and press firmly until it snaps into place. Do this on both sides.</p>	  <p><b>TORSO CONTROL STRAP</b></p> <p>A. Align the rivet (female end away from the patient) at the torso control strap attachment point. Press firmly until it snaps into place. B. Lace the strap through the slot from inside. C. Pull the buttonhole at the end of the strap over the plastic rivet and button it on. Pull tight to secure.</p>	  <p><b>CLAMP CONNECTOR</b></p> <p>A. Remove the screw from the clamp connector. Unlace the black start tab and position the clamp connector so the threaded sleeve comes through the slot. B. Align the plastic rivets with the two small holes. Press until they snap into place then replace the start tab.</p>	  <p><b>PREPARATION</b></p> <p>A. Remove the single screw in the middle of the T-bar mount. Remove the clamp and the posts. Apply and tighten the Aspen LSO. (Instructions at aspenmp.com) B. Hold posts and chest panel in position on the patient. If needed, bend the support posts to fit patient.</p>	  <p><b>SPALLINE</b></p> <p>A. Con il pannello posteriore appoggiato su un tavolo, inserire la correa dalla finta per le spalline attraverso la fessura. B. Allineare il chiodino (estremità femminile rivolta verso l'opposto al paziente) e premere con fermezza finché non scatta in posizione. Ripetere su ciascun lato.</p>	  <p><b>BRETTELS</b></p> <p>A. Posez le panneau dorsal à plat sur une table, puis insérez la sangle dans la fente par le haut. B. Alignez l'ocellet (extrémité femelle éloignée du patient) et appuyez fermement jusqu'à ce qu'il s'enclenche en place. Répétez de l'autre côté.</p>	  <p><b>肩带</b></p> <p>A. 将背板放在台上,从上面将肩带穿过槽口。 B. 对齐铆钉(母接头一端离开患者)并按紧直至扣到位。对两侧执行上面的程序。</p>
2	  <p><b>CINGHIETTA DI CONTROLLO DEL TORSO</b></p> <p>A. Alinear el chiodino (extremidad femenina alejada del paciente) en el punto de unión de la correa de control para el torso. Presione firmemente hasta encogerla a presión en su lugar. B. Pase la correa desde adentro a través de la ranura. C. Hale el ojal en el extremo de la correa sobre el remache plástico y abótnelo. Hale firmemente para asegurarlo.</p>	  <p><b>SANGLE DE CONTRÔLE DU TORSE</b></p> <p>A. Alinear el chiodino (extremidad femenina alejada del paciente) en el punto de fijación de la cinghietta de control del torso. Presione con fermeza finché non scatta in posizione. B. Infilar la cinghietta dall'interno attraverso la fessura. C. Tirare l'asola all'estremità della cinghietta sopra il chiodino di plastica e abbottonearla su di esso. Tendere bene per fissare.</p>	  <p><b>TORSO-KONTROLLRIEMEN</b></p> <p>A. Das Niet (Aufnahme vom Patienten wegrichten) auf den Befestigungspunkt am Torsokontrollriemen ausrichten und fest drücken, bis es einrastet. B. Den Riemen von innen durch den Schlitz ziehen. C. Das Knopföhl am Ende des Riemens auf das Kunststoffniet ziehen und befestigen. Straff ziehen und befestigen.</p>	  <p><b>CONNETTORE DI CHIUSURA</b></p> <p>A. Quite el remache del conector de la abrazadera. Deshaga la pestanya negra y coloque el conector de la abrazadera de modo que el mangui roscado pase por la ranura. B. Alinee los remaches plásticos con los dos orificios pequeños. Presione hasta que encajen en su lugar, y luego vuelva a colocar la pestanya.</p>	  <p><b>TORSO-KONTROLLRIEMEN</b></p> <p>A. Das Niet (Aufnahme vom Patienten wegrichten) auf den Befestigungspunkt am Torsokontrollriemen ausrichten und fest drücken, bis es einrastet. B. Den Riemen von innen durch den Schlitz ziehen. C. Das Knopföhl am Ende des Riemens auf das Kunststoffniet ziehen und befestigen. Straff ziehen und befestigen.</p>	  <p><b>CINGHIETTA DI CONTROLLO DEL TORSO</b></p> <p>A. Alinear el chiodino (extremidad femenina alejada del paciente) en el punto de fijación de la sangle de control del torso. Presione con fermeza finché non scatta in posizione. B. Infilar la sangle dans la fente par l'intérieur. C. Tirare l'asola all'estremità della cinghietta sopra il chiodino di plastica e abbottonearla su di esso. Tendere bene per fissare.</p>	  <p><b>SANGLE DE CONTRÔLE DU TORSE</b></p> <p>A. Alinear el chiodino (extremidad femenina alejada del paciente) en el punto de fijación de la sangle de control del torso. Presione con fermeza finché non scatta in posizione. B. Infilar la sangle dans la fente par l'intérieur. C. Tirare l'asola all'estremità della cinghietta sopra il chiodino di plastica e abbottonearla su di esso. Tendere bene per fissare.</p>
3	  <p><b>CLAMP CONNECTOR</b></p> <p>A. Quite el remache del conector de la abrazadera. Deshaga la pestanya negra y coloque el conector de la abrazadera de modo que el mangui roscado pase por la ranura. B. Alinee los remaches plásticos con los dos orificios pequeños. Presione hasta que encajen en su lugar, y luego vuelva a colocar la pestanya.</p>	  <p><b>KLEMMANSCHLUSS</b></p> <p>A. Die Schraube aus dem Klemmanschluss entfernen. Die schwarze Ansatzlasche lösen und den Klemmanschluss so anbringen, dass die Gewindehülse durch den Schlitz ragt. B. Die Kunststoffnieten auf die zwei kleinen Löcher ausrichten. Diese bis zum Einschnappen hineindrücken und die Ansatzlasche wieder einlegen.</p>	  <p><b>KLEMMANSCHLUSS</b></p> <p>A. Die Schraube aus dem Klemmanschluss entfernen. Die schwarze Ansatzlasche lösen und den Klemmanschluss so anbringen, dass die Gewindehülse durch den Schlitz ragt. B. Die Kunststoffnieten auf die zwei kleinen Löcher ausrichten. Diese bis zum Einschnappen hineindrücken und die Ansatzlasche wieder einlegen.</p>	  <p><b>CONNETTORE DI CHIUSURA</b></p> <p>A. Togliere la vite dal connettore di chiusura. Sfilare la lingua iniziale nera e posizionare il connettore di chiusura in modo che la guaina filettata passi attraverso la fessura. B. Allineare i chiodini di plastica ai due piccoli fori. Premere finché non scattano in posizione, quindi rimettere a posto la lingua iniziale.</p>	  <p><b>CONNECTEUR DE BRIDE</b></p> <p>A. Retirez la vis du connecteur de bride. Dépliez la patte de départ noire et positionnez le connecteur de bride de manière à ce que le manchon fileté sorte de la fente. B. Alignez les cellents en plastique sur les deux petits orifices. Appuyez jusqu'à ce qu'ils s'enclenchent en position, puis remplacez la patte de départ.</p>	  <p><b>夹扣接头</b></p> <p>A. 取下来扣接头上的螺丝。解开黑色起始扣环，将夹扣接头置于这样的位置使螺套套置穿过槽口。 B. 将里面将背带穿过槽口。 C. 将背带末端的扣眼拉到塑料铆钉上，扣上扣子。拉紧以保证牢固。</p>	
4	  <p><b>PREPARATION</b></p> <p>A. Quite el tornillo simple en el medio del montaje de la barra en T. Quite la abrazadera y los soportes. Coloque y ajuste el corsé Aspen LSO. (Instrucciones finden Sie unter aspenmp.com)</p>	  <p><b>PREPARACIÓN</b></p> <p>A. Quite el tornillo simple en el medio del montaje de la barra en T. Quite la abrazadera y los soportes. Coloque y ajuste el corsé Aspen LSO. (Instrucciones finden Sie unter aspenmp.com)</p>	  <p><b>VORBEREITUNG</b></p> <p>A. Die Schraube in der Mitte der T-Schiene entfernen. Klemme und Schienen entfernen. Das Aspen LSO anlegen und festziehen. (Anweisungen finden Sie unter aspenmp.com)</p>	  <p><b>PREPARAZIONE</b></p> <p>A. Rimuovere la vite singola situata nel mezzo della barra di montaggio a T. Rimuovere la chiusura e le stecche. Applicare e stringere l'LSO Aspen (consultare le istruzioni in merito al sito aspenmp.com).</p>	  <p><b>PRÉPARATION</b></p> <p>A. Retirez la vis du connecteur de bride. Dépliez la patte de départ noire et positionnez le connecteur de bride de manière à ce que le manchon fileté sorte de la fente.</p>	  <p><b>准备</b></p> <p>A. 取下T字架中间的单个螺丝。取下夹扣和支柱。应用并紧固Aspen LSO。(说明请见aspenmp.com) B. 将支柱和胸板保持在患者身上正确位置。如需要,弯曲支柱以适合患者体型。</p>	
	<p>Not made with natural rubber latex.</p>	<p>No está hecho con látex de goma natural.</p>	<p>Ohne Naturkautschuklatex.</p>	<p>Non realizzato con lattice di gomma naturale.</p>	<p>Pas fabriqué avec du latex de caoutchouc naturel.</p>	<p>并非采用天然胶乳制造。</p>	

	ENGLISH		ESPAÑOL		DEUTSCH		ITALIANO		FRANÇAIS		CHINESE
	A	B	CHEST PANEL ATTACHMENT	COLOCACIÓN DEL PANEL TORÁCICO	BEFESTIGEN DES BRUSTTEILS		FISSAGGIO DEL PANNELLO PETTORALE	FIXATION DU PANNEAU THORACIQUE		胸板安装	
5				A. Unlace the center strap and attach the post clamp and slide it laterally until it is positioned at the patient's mid line. Replace and tighten the central screw. B. Adjust the height of the chest panel to 1" below the sternal notch. If the bottom of the post extends down too far, bend it outward for comfort. C. Tighten upper and lower screws to lock in place. Re-lace center strap through the LeverLatch and secure. Re-position the upper and lower straps so they lie over the support posts.	A. Deshaga la correa central, coloque la abrazadera de los soportes y deslicela lateralmente hasta que quede situada en la línea media del paciente. Vuelva a colocar el tornillo central y apriételo. B. Ajuste la altura del panel torácico de modo que quede 1" más abajo de la muesca esternal. Si la parte inferior de los soportes sobresale demasiado por debajo, doblela hacia afuera para la comodidad del paciente. C. Ajuste los tornillos superior e inferior para fijarlos en su lugar. Vuelva a pasar la correa central a través del cierre LeverLatch y asegúrela. Vuelva a posicionar las correas superior e inferior de modo que queden sobre los soportes de apoyo.	A. Den mittleren Riemen lösen, die Schieneklemme anbringen und zur Seite verschieben, bis sie an der Mittellinie des Patienten ausgerichtet ist. Die mittlere Schraube wieder anbringen und festziehen. B. Die Höhe des Brustteils auf 25 mm unter das Incusura jugularis sterni (Einkerbung) justieren. Wenn das Unterteil der Schiene zu weit nach unten heraustragt, kann diese nach außen gebogen werden, um für mehr Komfort zu sorgen. C. Die obere und untere Schraube festziehen. Den Riemen wieder durch den LeverLatch-Riegel legen und befestigen. Den oberen und unteren Riemen so positionieren, dass sie auf den Stützschienen aufliegen.	A. Sfilare la cinghietta centrale e fissare la chiusura delle stecche, quindi farla scivolare lateralmente finché non risulta in corrispondenza della linea mediana del paziente. Rimettere a posto la vite centrale e serrare. B. Regolare l'altezza del pannello pettorale a 2,5 cm sotto l'intaccatura dello sterno. Se la parte inferiore della stecca si estende troppo in basso, piegarla all'indietro per migliorare il comfort del paziente. C. Serrare le viti superiore e inferiore per bloccare in posizione. Reinfiare la cinghietta centrale attraverso la chiusura a leva LeverLatch e fissare. Riposizionare le cinghiette superiore e inferiore in modo che siano sistemate sopra le stecche di supporto.	A. Défaitez la sangle centrale, attachez la bride pour tige et faites-la glisser latéralement jusqu'à ce qu'elle soit positionnée sur la ligne médiane du patient. Remettez la vis centrale et serrez-la. B. Ajustez la hauteur du panneau thoracique à 2,5 cm sous l'angulo sternal. Si la partie inférieure de la tige descend trop bas, pliez-la vers l'extérieur pour ne pas gêner le patient. C. Serrez les vés supérieure et inférieure pour assurer la stabilité du panneau. Faites passer à nouveau la sangle centrale dans le « LeverLatch » et attachez-la. Repositionnez les sangles supérieure et inférieure afin qu'elles passent sur les tiges de maintien.	A. 解开中间系带，装上支柱夹并向侧面滑动直到其位于患者的中线。更换并拧紧中心螺丝。 B. 调节胸板的高度至胸骨上切迹下1英寸处。如果支柱的下部伸出太远，向外弯曲以保证舒适。 C. 拧紧上下螺丝以锁定到位。重新将中心系带穿过手柄栓以保证牢固。调整上下系带的位置，使它们位于支柱上面。		
6				SHOULDER STRAP ADJUSTMENT	AJUSTE DE LAS CORREAS DEL HOMBRO	EINSTELLEN DER SCHULTERRIEMEN		REGOLAZIONE DELLE SPALLINE	RÉGLAGE DES BRETELLES		肩带调节
	A	B	A. Hold each shoulder strap in place and determine the appropriate length. If needed, trim the plastic and foam pad with scissors. B. Attach the straps to the aluminum rivets using the connecting tabs and tighten until snug.	A. Sujete cada una de las correas del hombro en su lugar y determine el largo adecuado. Si fuera necesario, corte el plástico y la almohadilla de espuma con tijeras. B. Una las correas a los remaches de aluminio usando las pestanas conectoras y ájústelas hasta tensarlas.	A. Beide Schulterriemen festhalten und die richtige Länge bestimmen. Falls notwendig, können Kunststoffteil und Schaumstoffpolster zugeschnitten werden. B. Mithilfe der Verbindungslaschen die Riemens an den Aluminiens festigen und festziehen.	A. Tenere in posizione ciascuna spallina e determinare la lunghezza appropriata. Se necessario, tagliare la plastica e il rimburrage in mousse con degli cesoia. B. Fissare le spalline ai chiodini in alluminio usando le linguette di connessione e stringere finché non risultano bene aderenti.	A. Maintenez chaque bretelle en position et déterminez la longueur requise. Si nécessaire, coupez la plastique et le rembourrage en mousse avec des ciseaux. B. Fixez les sangles sur les œilllets en aluminium à l'aide des pattes de fixation et serrez fermement.	A. 将每个肩带保持到位并确定适当的长度。如需要，用剪刀修剪塑料和泡沫垫。 B. 用连接扣环将肩带装到铝铆钉上并拧紧直到松紧合适为止。			
7				TORSO CONTROL STRAP	CORREA DE CONTROL PARA EL TORSO	TORSO-KONTROLLRIEMEN		CINGHETTA DI CONTROLLO DEL TORSO	SANGLE DE CONTRÔLE DU TORSE		躯干控制系带
	A	B	A. Refer to upgrade kit installation section 2. Unfold and connect torso control straps to the rivets on the chest panel. Adjust webbing to the desired tightness. B. Extra length in the strap can be laced through the foam pad. Trim excess webbing and heat seal to prevent fraying.	A. Consulte la instalación de los accesorios adicionales en la sección 2. Estire y conecte las correas de control para el torso a los remaches del panel torácico. Ajuste el tejido según la tensión deseada. B. El sobrante de la correa puede ser entrelazado en la almohadilla de espuma. Corte el tejido excedente y sellélo térmicamente para evitar que se deshilache.	A. Siehe Abschnitt 2 der Upgrade-Kit-Installationsanleitung. Die Torsokontrollriemen aufklappen und mit den Nieten am Brustteil verbinden. Das Stoffgewebe auf die gewünschte Straffheit festziehen. B. Überschüssige Riemenlängen können in das Schaumstoffpolster gesteckt werden. Überschüssiges Stoffgewebe und Wärmesiegel können abgeschnitten werden, um ein Ausfransen zu verhindern.	A. Consulte la sección 2 de la instalación del kit de actualización. Despliegue las correas de control del torso y conectelas a los remaches del panel torácico. Ajuste la tensión deseada. B. La longitud en exceso de la cinghietta può essere infilata attraverso il cuscino in espansione. Tagliare le porzioni di cinghietta in eccesso e sigillare la cinghietta con il calore per evitare che si sfilaccino.	A. Consultez la section 2 de l'installation du kit de mise à niveau. Déploiez les sangles de contrôle du torse et attachez-les aux œilllets du panneau thoracique. Ajustez les sangles de manière à obtenir le maintien recherché. B. Enfilez, si vous le souhaitez, la partie des sangles qui dépasse dans le rembourrage en mousse. Coupez la partie des sangles qui dépasse et effectuez un thermoscellage pour éviter qu'elles ne s'effilochent.	A. 参阅升级套件安装第2节的内容。解开躯干控制系带并将之连接到胸板的铆钉上。调整带子到希望的松紧度。 B. 系带过长部分可从泡沫垫中穿过。剪掉过长的带子并热密封以防止磨散。			
8				STEP DOWN OPTION	SUGERENCIAS	BEI REDUZIERTEM STÜTZBEDARF		OPZIONE SEMPLIFICATA	OPTION SIMPLIFIÉE		降级选项
	A	B	A. If torso straps are not needed, disconnect them where they attach to the back panel. B. If shoulder straps are no longer needed, disconnect them from the chest panel and cut off the plastic rivets to disconnect them from the back panel.	A. Si no se necesitan las correas para el torso, desconectelas de su punto de unión en el panel posterior. B. Si ya no se necesitan las correas de hombro, desconectelas del panel torácico y corte los remaches plásticos para desconectarlas del panel posterior.	A. Wenn die Torsoriemen nicht benötigt werden, können diese von den Befestigungssstellen am Rückenteil abgenommen werden. B. Wenn die Schulterriemen nicht mehr benötigt werden, diese vom Brustteil trennen und die Kunststoffnieten abschneiden, um die Riemens vom Rückenteil abzunehmen.	A. Se le cinghiette del torso non servono, scollarle nel punto in cui sono fissate al pannello posteriore. B. Se le spalline non servono più, scollarle dal pannello pettorale e tagliare via i chiodini di plastica per scollarle dal pannello posteriore.	A. 如果不需要躯干系带，在连接到背板处将其取下。 B. 如果不需要肩带，将之从胸板上取下，切掉塑料铆钉以便从背板上取下。				

#### LIMITED WARRANTY

Aspen Medical Products, Irvine, CA 92618, warrants to the user who originally purchases this product that it is free from defects in material and workmanship. The sole obligation of Aspen Medical Products in the event of breach of warranty shall be to repair or replace the defective product or part(s).

Aspen Medical Products shall have no obligation under this limited warranty in the event:

(a) The product was not purchased from Aspen Medical Products or through its authorized channels of distribution;

(b) The product is altered;

(c) Any parts not supplied by Aspen Medical Products are inserted into the product; or

(d) The product is not used in accordance with the Aspen Medical Products Instructions for Use.

THE FOREGOING IS THE SOLE AND EXCLUSIVE REMEDY FOR FAILURE IN SERVICE OF, OR DEFECT IN, THE PRODUCT. ASPEN MEDICAL PRODUCTS SHALL NOT BE LIABLE UNDER THIS OR ANY IMPLIED WARRANTY FOR ANY DIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, AND ALL OBLIGATIONS OR LIABILITIES ON THE PART OF ASPEN MEDICAL PRODUCTS FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OF THE PRODUCTS, WHICH ARE HEREBY DISCLAIMED AND EXCLUDED BY ASPEN MEDICAL PRODUCTS.

READ INSTRUCTIONS BEFORE USE. Proper training in the use of this device should take place before it is applied. These directions are guidelines only and are not offered as medical recommendations.

THIS PRODUCT IS INTENDED FOR APPLICATION BY LICENSED HEALTH CARE PRACTITIONERS AS DIRECTED BY A PHYSICIAN OR OTHER QUALIFIED MEDICAL AUTHORITY. PERMANENT INJURY MAY RESULT FROM USE OTHER THAN AS DIRECTED BY A PHYSICIAN OR OTHER MEDICAL AUTHORITY. ASPEN MEDICAL PRODUCTS SPECIFICALLY DISCLAIMS ANY OBLIGATION OR LIABILITY FOR INJURY OR DAMAGE BY REASON OF ANY APPLICATION OF THIS PRODUCT. PLEASE SEE THE LIMITED WARRANTY FOR FURTHER INFORMATION IN THIS REGARD.

This warranty gives you specific legal rights and you may have other rights which vary from state to state.

Warning: To ensure proper use, please review all material.
