

Trū Adjustability

WillowWood[®]
ALPHA TrūSeal™

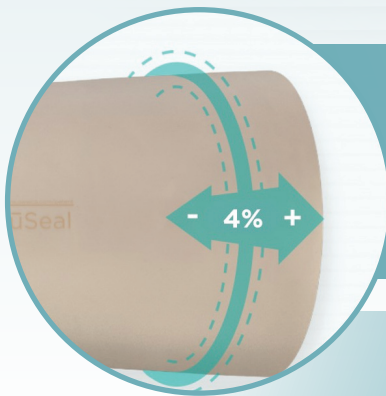

Add Silicone
Volume Management
Pads where needed
for optimal fit

\$50 Savings!

For a limited time receive a set of Silicone Volume Management Pads FREE when you purchase a TruSeal™ Liner

Set includes (2) 23 x 11.5 cm pads in two thicknesses – 4.5 and 7.5 mm.

Silicone Volume Management Pads (VMPs) accommodate up to 8% range of volume fluctuation.

Stepped fin design enhances sealing contact for secure suspension.
